

Illustration from "Emma Lee's Magic Teapot" - Written by Sabella Dossdhen & Illustrated by Jorissa Van Dijk

In this story, Emma Lee knows that her new teapot is as magic as Abdi's lamp. She makes three wishes. Each one of her wishes is for her family and her friends. She wants to share special traditions with her parents, mend hurt feelings with her best friend and spend more time with her grandparents.

*What wishes would you make for the important people in your life?*
